SRI MA[®] VIDYALAYA

SRI MA[®]
GROUP OF INSTITUTIONS
"Where Learning Meets Values"
(Since 1975)

Divine Mother Sri Tara Ma, founder of the Sri Tara Ma Mission, started the Sri Ma Group of Institutions to impart modern education to upcoming generations through a system that is based on the ancient Indian moral, cultural and spiritual values. The scope of growth and development within this system is extended beyond academic excellence to encompass various other human endeavours thus bringing sports, fitness, music, dance, fine arts etc. under the ambit of learning.

“Moral, cultural and spiritual values are the keys to the umpteen treasures of life. So, an ideal education system would be one that blends a value-based academic set-up with impetus to talent and mental-cum-physical fitness, thus ensuring character enrichment in a child.”

- Sri Ma

VISION STATEMENT

Spreading Universal Love through Character Enriching Education

MISSION STATEMENT

Inculcating moral, cultural and spiritual values in children by imparting education of the highest standards and encouraging participation in music, dance, fine arts, sports and games for development of universal kinship and character, to interweave hearts for beautiful living and for turning children into quality world citizens.

THE SCHOOLS

The founder, Divine Mother Sri Ma, started Sri Ma Bal Niketan H.S in the year 1975, affiliated to the Maharashtra State Board of Secondary and Higher Secondary Education, with the intention of inculcating moral and spiritual values in the children and to give them character enhancing education rather than mere bread winning education. The conference of quality education contemporary in form albeit based on ancient values has been the hallmark of the school.

Do not harbour negative thoughts in your mind. Everybody is your Guru. Be ready to learn from everything with quiet acceptance

- Sri Ma

Sri Ma Vidyalaya, was set up in the year 2000-2001 amidst sylvan surroundings about 7 kilometres from the Thane railway station on a sprawling 7-acre campus, Sri Ma Vidyanagari. Having run successfully under the State Board pattern for nearly one and a half decades, the school has made a successful transition into the CBSE pattern of education. The nature of current day corporate jobs necessitating frequent transfers across states was the main reason for the shift to CBSE mode of education. It is also felt that a base of CBSE education will better prepare children to face a variety of competitive examinations across the academic scape of India.

Bhagirathi Vidyalaya Senior Secondary School, that was started in the year 1992, is located in the village of Haripurkalan, near Haridwar city, in the state of Uttarakhand. The school is an english medium school and is affiliated to the CBSE upto the senior secondary level.

Sri Ma Vidyalaya Chennai CBSE and Sri Ma Montessori International Gurugram have been established recently and are showing promising growth and development. Sri Ma Montessori International school in Gurugram is delivering pure montessori education till the age of 6 and CBSE education thereonwards.

The combined student strength in the schools is around 8000. Sri Ma Schools are managed in keeping with the highest ideals of human ethics with selfless service to humanity as the sole motive and guiding principle. The people that embody the tiers of management and staff epitomise these very principles in letter and spirit. Modern management techniques are used to deliver the ancient wisdom of the sages set in the contemporary perspective for assimilation by present day minds. All in all, the entire team makes for a group of individuals with loving, caring and nurturing hands and hearts.

TEACHING METHODS

- Classroom Lessons ➤ Multi-Media
- Internet and Computers ➤ Practicals
- Info-Tainment (Information plus Entertainment)
- Field Trips ➤ Industrial Visits
- Educational Excursions ➤ Project Research and Self-study
- Montessori Play-way for Pre-primary

Education helps to earn a livelihood and also to gain knowledge. Besides your normal studies, spare some time for spiritual practices like meditation, prayer and Japam.

- Sri Ma

AUDIO VISUAL LEARNING SYSTEM & TATA CLASSEGE

The Audio Visual Learning System rests upon advanced computer facilities. With able, creative minds, in the form of our Teachers that churn inspiring techniques and methods through creative visualisation and sound understanding, in a backdrop of effective training, for the impartment of knowledge, is evolved a never-seen-before system of learning that benefits students and parents manifold times. Forging a collaboration with TATA Interactive Services Ltd. for the TATA Classedge system has heralded the Sri Ma Group of Institutions into a completely different level in the ecosystem of educational institutions. Every classroom is digital! We are happy to share that more than a decade ago Sri Ma Group of Institutions had introduced ultra short throw projectors in classrooms (at a time when even normal projectors were a rarity). Today we have evolved and are introducing IFP (Interactive flat panels) when several other schools are yet to migrate to ultra short throw projectors. IFPs are opening up an altogether new dimension in classroom education.

HUMAN VALUE SYSTEM

Yoga Asanas and Pranayama, Yogic concepts, Spiritual Study for Self-Discovery, Sanskrit Hymns and Prayers, devotional songs, Celebration of festivals of all religions, Observance of Special Days of Global or National importance, Birth anniversaries of Saints and National leaders form an inseparable part of the curriculum of the Sri Ma Group of Institutions. Regular periods are allotted for introspection and spiritual study under the watchful and compassionate eyes of dedicated teachers that nurture and particularly look into the finer aspects of grooming of the personality with care and concern. Discipline in thoughts, words and actions is nurtured from a very early age so as to enable worthy living. Put together, these attributes are a unique facet of our Institutions.

HOLISTIC DEVELOPMENT

Integration of activity based learning with academics ushers in an healthy supply of co-curricular activities, ideal for enrichment of the mind, body and intellect. The mind is gently drawn towards the finer values of life by constant loving encouragement to engage in hobby activities like drawing, painting on various media including pots, glass and fabric, rangoli, ceramic work, writing, social service, dance, dramatics, music & gardening etc.

Develop the spirit of worshipping your work, your studies and you will find yourself happy, with God ever present right in front of you.

- Sri Ma

ACADEMIC PERFORMANCE

The performance of the pupils in the secondary and higher secondary school certificate examinations has been excellent, ever since the first batch was sent for them in the year 1987, notching 100% results every year.

COUNSELLING

Sri Ma Group of Institutions also has a healthy system of counselling in place for the mitigation of varied problems relating to youngsters. A qualified counsellor is available on campus and is easily accessible. Sri Ma Vidyalaya is an accredited study centre for NIOS for secondary, senior secondary and vocational courses.

UNIT ACTIVITIES

Units have been instituted for Scouts, Guides, MCC and RSP. A school military course is conducted regularly in school on sundays. These units allow students to take up avenues that instill qualities like endurance and tenacity in them making them suitable not just for National duties but also for a more fulfilling life. A house system is also in place. They are christened Satya, Prema, Shanti and Ananda. These names signify that the twin state of Bliss (Ananda) and Peace (Shanti) can be effortlessly attained through an immaculate adherence to the doctrines of Truth (Satya) and Selfless Love (Prema). A solemn investiture ceremony, installing the prefects, junior prefects, captains and team leaders of the respective houses, is held in the first week of July.

SCHOOL SOCIETIES

These are informal but recognised groups of students formally mentored by a teacher or two for fomenting knowledge in different areas of interest or study. Activity societies as they are called exist to provide avenues for the students to explore their interests and find engaging hobbies or serious launch pads for successful careers.

The list of the available societies in which students can enrol to develop their skills etc. are: Literature | Poetry and Culture | Journalism | Scientific | Geographical | Historical | Adventure | Social Welfare | Environment and Gardening | First Aid and Disaster Management | Theatre and Photography | Home Science and Etiquettes | Career N Learning | Mathematics | Politics and Current Affairs | Animals and Birds.

Guard the treasure of peace all the time. Be in the world but be aloof. Never allow your mind to get attached to worldly, unnecessary things.

- Sri Ma

FACILITIES

Spacious, airy, well-lit libraries, science labs and computer labs, audio visual capabilities, play area cum sensorial garden, multiple activity halls, sports rooms, CCTV camera system in all classrooms, school building and around the campus and school buses are the myriad facilities on offer for the students and parents.

SRI MA GURUKUL

Students require specialised training in hobby / interest areas even after school hours. Time at home can be effectively utilised for either sports, music, dance, arts or yoga and an impetus can be given to the way a child lives life. The formative years if infused with the right mix of various activities then mental, intellectual and physical strength come to hone a child's personality. Sri Ma Gurukul was set up to provide an avenue for after-school activities for children of Sri Ma Group of Institutions. The best part is that students other than from the Sri Ma Group can also avail of these facilities. The faculty at this Centre too are drawn from the rolls of the Sri Ma Group of Institutions and are proud bearers of national and international recognition in their respective games & skills.
